

HOW YOUR SUPPORT MAKES A DIFFERENCE BY GIVING TO UNITED WAY OF ANDERSON COUNTY

Reach for the Stars

At United Way of Anderson County, we are dedicated to improving lives and strengthening our community through four key pillars: **Health, Education, Financial Stability, and Basic Needs**. We do this by strategically funding programs and creating partnerships to support these key areas. We go beyond temporary fixes and tackle some of the biggest, most complex problems facing our Anderson County community.

56,000

People served through our funding & programs

19

Nonprofit Partner Agencies received grant funding

115,420

Meals provided through internal & partner programs

4,126

Referrals made via 211 to agencies that provide local assistance

Health Highlight: Camp Mariposa

Camp Mariposa is a free, year-round addiction prevention and mentoring program for youth affected by substance abuse. This program is in partnership with Eluna Network and Clemson University Learning Institute.

63

Camp Mariposa students participated in our program

6,367

Hours spent mentoring Camp Mariposa students

Financial Stability Highlight: Homelessness & Housing / Financial Stability Center at AIM

We strategically fund agencies that help people remain safe and self-sufficient in their own homes. We also fund the Financial Stability Center at AIM, a hub for services that support community financial wellness.

7

Housing & Homelessness agency partners funded

1,045

Free tax returns filed through the VITA program at AIM

Basic Needs Highlight: Childhood Hunger

Through Weekend SnackPack, we provide food for the children who are at the greatest risk of facing hunger over the weekends. We also partner with AIM's Summer Food 4 Kids to provide food during the summer.

750

Students receive Weekend SnackPacks each weekend during the school year

5,000

SnackPacks distributed during the summer to local neighborhoods

Education Highlight: Camp iRock

Camp iRock is an intensive summer program that focuses on reading, character building, and physical activity (in partnership with Anderson Area YMCA, Pickens County YMCA, and ASD 1, 3, and 5). Our Women United also supports ASD 2 & 4 literacy.

125

Camp iRock & literacy initiatives students

6,500

Books distributed to students
