

LEADERSHIP GIVING SOCIETIES

UNITE FOR IMPACT: JOIN A UNITED WAY LEADERSHIP GIVING SOCIETY

We believe the most significant impact is possible when we work together. Giving societies are networks of passionate individuals who join forces to advocate, volunteer, and generously donate to support the community-focused work of United Way. It's easy to join the **United Way Leadership Giving Societies**. Entry is as simple as an annual donation of \$500 or more (just \$50 dollars per month). All society members are recognized in our Annual Impact Report.

CAROLINA SOCIETY *\$500-\$999 annually*
